## Schedule F1 Categories of Designated Transmission Customers

**Categories of designated transmission customers required to enter into transmission agreements with Transpower**

1. Subject to clause 2, the categories of **designated transmission customers** required to enter into **transmission agreements** with **Transpower** are:

   1.1 **direct consumers** that have a **point of connection** to the **grid**;

   1.2 **distributors**; and

   1.3 **generators** that are directly connected to the **grid**.

2. Neither New Zealand Aluminium Smelters Limited nor RTA Power (NZ) Limited is a **designated transmission customer** under subclauses 1.1, 1.2 or 1.3 while the **Comalco agreements** are in force.

3. The exception in clause 2 does not apply:

   3.1 subject to clause 4, if a variation is made to a **Comalco agreement**, that provides for an increase of, or the exercise of any right to increase, the total maximum quantity of **electricity** to which New Zealand Aluminium Smelters Limited and RTA Power (NZ) Limited is entitled under all of the **Comalco agreements** to more than 610 **MW** of instantaneous and continuous supply and fluctuations above that quantity of up to 27.5 kilowatt hours in any 10 second period;

   3.2 subject to clause 5, if **electricity** is supplied to New Zealand Aluminium Smelters Limited or RTA Power (NZ) Limited outside the **Comalco agreements**.

4. If clause 3.1 applies:

   4.1 New Zealand Aluminium Smelters Limited and RTA Power (NZ) Limited are **designated transmission customers** under subclauses 1.1, 1.2 or 1.3 only to the extent that the variation provides for the supply of **electricity** above the limits in clause 3.1; and

   4.2 for the purposes of determining what **electricity** supplied under the **Comalco agreements** is above the limits in clause 3.1, the parties to the **Comalco agreements** must treat the **electricity** supplied under those limits as having been supplied first unless agreed otherwise between the parties.

5. If clause 3.2 applies:

5.1 New Zealand Aluminium Smelters Limited and RTA Power (NZ) Limited are **designated transmission customers** only to the extent that **electricity** is supplied outside the **Comalco agreements**; and

5.2 for the purposes of determining what **electricity** supplied to those companies is supplied outside the **Comalco agreements**, the parties to the **Comalco agreements** and the parties to any agreement that provides for the supply of **electricity** to those companies outside the **Comalco agreements** must treat the **electricity** supplied under the **Comalco agreements** as having been supplied first unless otherwise agreed:

5.2.1 between the parties to the **Comalco agreements**; and

5.2.2 between the parties to that other agreement or agreements.
