Dear Sir/Madam

TPM Submission – 2019 Issues Paper

The Northpower Electric Power Trust is deeply concerned about the Electricity Authority's (the **Authority's**) current proposals to alter the Transmission Pricing Methodology (**TPM**) and the long-term implications this may have for our consumers.

This letter is to confirm our support of Northpower's TPM submission.

It is important to note that the Northpower Electric Power Trust owns Northpower on behalf of consumers connected to Northpower's electricity network in Whangarei and Kaipara districts.

Yours faithfully
