Dear Dr Layton,

DRAFT DECISION ON UTS OF 26 MARCH 2011 – COUNTER-SUBMISSIONS

Having reviewed comments made in submissions by other parties, New Zealand Steel does not propose lodging a counter-submission as those submissions have not raised anything new or surprising that would require us to reconsider the points we have made.

In the event that we may be of assistance to the UTS Committee of the Electricity Authority, we would be happy to do so.

Yours Sincerely,
