Subject: Transmission Pricing Discussion Paper - Request for Extension to Submission Date

Good afternoon Carl,

New Zealand Steel plans to submit on the Transmission Pricing discussion paper and I attended the TPAG briefing session at Te Papa yesterday. We have commissioned expert help to assist us in this. There is a lot to consider before our submission is finalized and we feel that we would not necessarily be able to complete a quality submission by Thursday 14th July. We therefore request a two week extension to the submission date to Thursday 28th July.

We also support MEUG's request for a similar extension.

Regards,
Dick Whitelaw
NZ Steel
