Dear Sir or Madam

Consultation Paper - Proposed change to advisory group terms of reference to provide for staggered membership

Thank you for the opportunity to comment on the proposal to change advisory group terms of reference to provide for staggered membership. Mighty River Power supports the proposal. We think it is important to avoid the risk of all or the majority of advisory group members concluding their term at the same time. Staggered membership helps to manage the transfer of institutional and corporate knowledge.

Yours faithfully

Sharron Came
