## Explanatory Note

*This note is not part of the amendment, but is intended to indicate its general effect.*

This amendment to the Electricity Industry Participation Code 2010 ("Code") comes into force on 20 October 2016.

The amendment replaces references to the current inverter standard adopted in Schedule 6.1 of the Code for connecting small-scale distributed generation to a network, with references to a new inverter standard recognised by Standards New Zealand.
