Consultation on Proposed List of Distributed Generation Eligible to Qualify to Receive ACOT, LNI

Thank you for the opportunity to comment on the Consultation on Proposed List of Distributed Generation Eligible to Qualify to Receive ACOT, LNI.

The Authority has asked “what, if any changes should be made to the list of distributed generation in the Lower North Island that is eligible to qualify to receive ACOT payments under the regulated terms?”

Mercury agrees with the list and does not consider any changes necessary.

Yours sincerely
