Dear Jill Carlsen

On behalf of the Market Design Advisory Group (MDAG) I would like to warmly thank you for hosting our meeting and briefing at your offices in Auckland on the 30th of July. I appreciate all the time and effort your team put into organising the day. I would also like to thank your IT team for setting up the appropriate technology to help us facilitate our briefing in your theatre room.

Once again, thank you very much.

Yours sincerely

Tony Baldwin
