Dear Garth

Cc: Penny Keller, Michelle Alfrey and Richard Kingsford

Thank you very much for making your Board room available to IPAG on the 15th of August. We thoroughly enjoyed having the meeting at your offices and WEL's kind hospitality was noted by the members. We would also like to acknowledge the time put in by Penny Keller who helped facilitate the meeting. The group also found the presentations from Michelle Alfrey and Richard Kingsford interesting and useful for our current project.

Once again, thank you for accommodating us.

Yours sincerely

John Hancock
