A Grid Emergency was declared on 03 December at 21:13 hours until 03 December at 23:30 hours pursuant to rule GIII 8.1 of the Electricity Governance Rules and Regulations.

In accordance with Part C schedule C4 Policy Statement para 52, a Grid Emergency was declared, as the rating of Kikiwa T1 was being exceeded. Load management by Marlborough Lines, Network Tasman and generation re-offers by Trustpower at Cobb alleviated the equipment overload.
