

To: Electricity Governance Board

From: Transpower as System Operator

---

A Level 1 Grid Emergency was declared on 25 March 2005 from 10:29 hours until 14:30 hours pursuant to rule GIII 8.1 of the Electricity Governance Rules and Regulations.

In accordance with Part C schedule C4 Policy Statement para 52, a Level 1 Grid Emergency was declared due to requirement to manage demand during restoration of Kawerau supply.
