Dear Peter

Variation to Registry Manager Market Operator Service Provider Agreement

I refer to the Registry Manager Market Operator Service Provider Agreement (MOSPA) between the Electricity Authority (Authority) and Jade Software Corporation (NZ) Limited, dated 25 January 2017, relating to services provided by Jade Software Corporation (NZ) Limited as the registry manager.

The Authority would like to vary the functional specification in Schedule 3 of the MOSPA, as follows:

- Derived Information
 - ER-1451
 - clarification of derivation rules for AMI Comm and AMI non-comm properties
- AC-020
 - CR-1280
 - Amendments to the audit compliance report
- Status Attributes, Event Type Responsibilities, DM-020, DM-030, DM-040, RA-010, RM-030, RM-040, SD-020
 - CR-1284
 - Distributor maintenance of Inactive status

A copy of the functional specification with these proposed variations incorporated is attached to this letter. If you agree to it, the varied functional specification will become version 22.42 in Schedule 3 of the MOSPA.

Please confirm your acceptance of the variations proposed in this letter by signing and returning a copy of this letter to me. These proposed variations to the MOSPA will take effect on the date you sign this letter.

Mark Herring
General Manager – Corporate and Market Services

I, Peter Smith, agree for and on behalf of Jade Software Corporation (NZ) Limited to the variation to the MOSPA set out in this letter.
