- (2) If at any time a **customer's** nominated **alternate contact person** advises the **retailer** that they no longer agree to act in that capacity, the **retailer** must record that information and, when liaising with the **customer** for the first time after being so advised by the nominated **alternate contact person**, notify the **customer**.

Part 5

Business-as-usual account management

15 Purpose of this Part

This Part of the **Consumer Care Obligations** imposes obligations on **retailers** regarding business-as-usual account management for the purpose of ensuring that **customers** remain informed, in order to promote the purpose in clause 11A.1.

16 Retailers to contact customers at least annually

At least once a year, a **retailer** must contact each of its **customers** to:

- (b) advise the **customer** of the existence of the **retailer's consumer care policy** and provide a copy of the **consumer care policy** or a direct hyperlink to it; and

17 Retailers to provide further information prior to customers making changes

- (1) If a **customer** enquires with the **retailer** about changing a **pricing plan** or signing up to a different **product offering**, before making any change the **retailer** must:
 - (a) advise the **customer** of the **retailer's** available **product offerings**, and related **pricing plans** and **payment options** that are relevant to the **customer's** current household circumstances;
 - (b) use reasonable endeavours to assist the **customer** in understanding the most suitable option for the **customer's** current household circumstances, including any conditions the **customer** must meet in order to obtain the greatest benefit from a **product offering** and the drawbacks of any particular option including any **fees** the person may incur; and
 - (c) provide information about 1 or more **electricity plan comparison platforms**.
- (2) Subclause (1) does not apply to **customer** changes made through an online platform, provided the **customer** has easy access to information about the **retailer's** available **product offerings** and related **pricing plans** and **payment options** that may be relevant to the **customer's** current household circumstances.

Account management for post-pay customers

18 Retailers to use meter readings for invoicing

A **retailer** must use **meter readings** and not **estimated readings** for invoicing whenever practicable, unless otherwise agreed by the **customer** for the purpose of their

preferred **payment option** (such as Smooth Pay or redirection of income) or **payment support plan**.

19 Information required on invoices

In addition to any applicable requirements in clauses 11.30 to 11.30B, a **retailer** must clearly set out on each **invoice**:

- (a) a breakdown of the total amount owed, distinguishing between the current invoicing period and any overdue amounts;

- (c) available **payment options**, or advice on where to find information regarding available **payment options** in supporting documentation (which may include the **retailer's** website or app); and
- (d) if bundled goods or services have been received by the **customer**, the amounts owing for each good or service.

Account management for prepay customers

20 Retailers to notify prepay customers when credit balance reaches a certain level

- (1) A **retailer** must notify a **prepay customer** immediately after the **prepay customer's** credit balance decreases below the equivalent of a reasonable estimation of 2 days of standard usage for the **prepay customer**.
- (2) A **retailer** must ensure that the notification to a **customer** in accordance with subclause (1) includes:
 - (a) the **customer's** current credit balance;
 - (b) a recommendation that the **customer** top-up the **customer's** account to avoid interruption in the supply of **electricity**; and
 - (c) a statement that when credit reduces to zero or any approved arrears limit is reached, **electrical disconnection** will occur.

Part 6

When payment difficulties are anticipated or arise

21 Purpose of this Part and knowledge of payment difficulties

- (1) This Part of the **Consumer Care Obligations** requires a **retailer** to take specific actions when a **customer** is in arrears or the **retailer** knows that the **customer** may be experiencing payment difficulties for the purpose of supporting those **customers** in accessing and maintaining an affordable and constant **electricity** supply suitable for their needs.
- (2) For the purposes of these **Consumer Care Obligations**, a **retailer** is deemed to know that a **customer** may be experiencing payment difficulties when:
 - (a) a **customer** tells the **retailer** that they anticipate challenges in meeting **invoice** due dates due to factors such as reduced income, upcoming financial commitments, or shifts in their financial circumstances;
 - (b) a **customer** fails to pay an **invoice** by the **invoice** due date for more than 1 billing cycle in a 6-month period; or
 - (c) the **retailer** becomes aware of information that a reasonable **retailer** would consider indicates anticipated or actual payment difficulty.
- (3) Each **retailer** must record and use information relevant to the matters listed in subclause (2), to identify **customers** who may be experiencing payment difficulties.
- (4) Information under subclause (2)(c) may include information provided by the **customer** or information gathered by the **retailer** through the use of a methodology or process to identify when **customers** may be experiencing payment difficulties based on information such as payment history and changes in consumption.
- (5) A **retailer** is not required to treat a **customer** as experiencing payment difficulties if the **customer** confirms that they are not experiencing payment difficulties, unless the **retailer** subsequently becomes aware of new information that meets one of subclauses (2)(a) to (c).

22 Retailers' obligations if customer fails to pay invoice

- (1) Each **retailer** must take reasonable steps to support **customers** who fail to pay an **invoice** to resolve payment issues and avoid **electrical disconnection**.
- (2) The steps under subclause (1) must include:
 - (a) issuing a reminder notice to a **customer** who fails to pay an **invoice** by the **invoice** due date as soon as reasonably practicable after the **invoice** becomes overdue; and
 - (b) if payment has not been made within 14 days of the **invoice** being issued, making further attempts to contact the **customer** or the **customer's alternate contact person** (if applicable and as appropriate) for the purpose of seeking payment and avoiding **electrical disconnection**.
- (3) Any notice issued under subclause (2)(a) must include:
 - (a) a statement that the **retailer** has a **consumer care policy**; and
 - (b) a copy of the **consumer care policy** or a direct hyperlink to it.
- (4) Any contact attempts under subclause (2)(b) involving written communication, and any successful contact attempts involving oral communication, made 4 days or more after the initiation of contact attempts under subclause (2)(b), must include an offer to discuss

with the **customer payment support plans** that appear suitable to the **customer's** circumstances.

- (5) A **retailer** must make at least 3 separate contact attempts under subclause (2)(b), spread over 7 or more days, before initiating the disconnection for non-payment process in clause 31.

23 Retailers to engage with customers experiencing payment difficulties

Where a **retailer** knows that a **post-pay customer** not on a **payment support plan** may be experiencing payment difficulties, the **retailer** must:

- (a) use best endeavours to engage with the **customer** for the purposes of resolving the payment difficulties;
- (b) communicate the steps the **retailer** will follow to assist the **customer** to resolve their payment difficulties and the timeframes for those steps;
- (c) remind the **customer** that:
 - (i) they may nominate a **support person** or an **alternate contact person**; and
 - (ii) the **retailer** has a **consumer care policy**, which explains what the **retailer** can and will do to support the **customer**;
- (d) provide the **customer** with relevant information to assist them to improve energy efficiency at their premises, or the information referred to in clause 6(e)(i);
- (e) offer advice, and if the **customer** agrees, advise on changes that could be made to:
 - (i) the **customer's** consumption profile (which may include increasing the proportion of **electricity** used at off-peak times); or
 - (ii) the metering at the **customer's** premises (which may include taking steps to support changes to the **customer's** consumption profile, or to enable load control),

that might reasonably be expected to reduce the amount of the **customer's** future **invoices**, after accounting for the cost of implementing such changes (which may include the cost of changing the **metering** at the **customer's** premises);

- (f) consider whether, based on the **customer's** consumption over the past 12 months, and any advice given under paragraph (e), the **retailer** has 1 or more **pricing plans** that could provide a lower cost of **electricity** to the **customer** and, if so:
 - (i) advise the **customer** of that plan or those plans that the **retailer** reasonably considers are most suitable for that **customer's** current household circumstances (provided that the **retailer** does not need to advise the **customer** of more than 3 **pricing plans**), any conditions the person must meet in order to obtain the greatest benefit from any **pricing plan** and the drawbacks of any particular plan including any **fees** the person may incur; and
 - (ii) where the **retailer** advises the **customer** of more than 1 **pricing plan**, identify the **pricing plan** which the **retailer** reasonably considers is the lowest cost option for the **customer**, taking into account those aspects of the **customer's** circumstances of which the **retailer** has knowledge;
- (g) provided the **customer** has engaged with the **retailer**:

- (i) satisfy itself, acting reasonably, that the **customer** is aware or has been reminded of the availability of financial assistance, financial mentoring services and **electricity** efficiency advice from **support agencies**; and
 - (ii) offer to refer the **customer** to any of those **support agencies** where appropriate, with the **customer's** agreement;
- (h) if a referral is made under paragraph (g) or a **customer** advises the **retailer** that they have contacted a **support agency** directly:
 - (i) advise the **customer** of the option to pause further steps in respect of any unpaid **invoices** but that, if the **customer** selects this option, any pause could cause the **customer** to go into more debt with the **retailer**;
 - (ii) if the **customer** opts to pause further steps, wait at least 7 days before taking any further steps under clauses 22 or 31; and
 - (iii) if, the **retailer** is satisfied that the **customer** is making reasonable efforts to engage with the **support agency** or **agencies**, wait a further period of at least 7 days after the initial period has elapsed; and
- (i) offer to discuss, and, if the **customer** agrees, discuss with the **customer payment support plans** that appear suitable to the **customer's** circumstances, including 1 or more **payment support plans** that a reasonable **retailer** would consider:
 - (i) offer the best way for the **customer** to pay off any debt owed to the **retailer** while accommodating the **customer's** expected ongoing **electricity** use; and
 - (ii) are most likely to help avoid the **customer** falling into debt, or further into debt, with the **retailer**.

24 No unilateral change to payment support plan

A **retailer** with a **customer** on a **payment support plan** must not unilaterally change the **customer's payment support plan**, other than in accordance with the **retailer's** terms and conditions.

25 Retailer's obligations in respect of customers on payment support plans

- (1) If a **retailer** identifies a significant and sudden increase in consumption by a **customer** on a **payment support plan** that is not explained by circumstances of which the **retailer** is aware (including seasonal factors), the **retailer** must:
 - (a) notify the **customer** of the change in consumption in order to avoid bill shock; and
 - (b) if appropriate, advise the **customer** of any **pricing plans** that the **retailer** reasonably expects would reduce the amount of the **customer's invoices** taking into account the increased consumption and any change in circumstances.
- (2) A **retailer** must, for a **customer** on a **payment support plan**, monitor the **customer's** debt repayments at a frequency appropriate to the **payment support plan**.
- (3) A **retailer** must contact a **customer** on a **payment support plan**:
 - (a) if a part payment has been made, to assess whether the **payment support plan** should be reviewed; and

 - (d) explain the next steps if repayment is not made.
- (6) If a referral is made under subclause (4)(c) or (5)(c), or a **customer** advises the **retailer** that they have contacted a **support agency** directly, the **retailer** must:
- (a) advise the **customer** of the option to pause further steps in respect of any **payment support plan** repayments but that, if the **customer** selects this option, any pause could cause the **customer** to go into more debt with the **retailer**;
 - (b) if the **customer** opts to pause further steps, wait 7 days before initiating the disconnection for non-payment process in clause 31; and
 - (c) if the **retailer** is satisfied that the **customer** is making reasonable efforts to engage with the **support agency** or **agencies**, wait a further period of at least 7 days after the initial period has elapsed.

 - (ii) use communication channels that are reasonable in the circumstances and which the **retailer** reasonably considers are most likely to result in the relevant information being communicated to the **customer**, which may include phone calls, emails, posted letters or a representative of the **retailer** visiting the **customer's** premises, subject to any health and safety risks to the representative, the **customer** or any other person at the premises.

32 Additional conditions for invoices using estimated readings

- (b) if the **customer** is still contracted to the **retailer** and has not **reconnected** 5 **business days** after **electrical disconnection**, contact the **customer** for the purpose of offering assistance and information on **reconnection**, including:
 - (i) reminding the **customer** of the financial mentoring services and **electricity** efficiency advice available from 1 or more **support agencies**; and
 - (ii) where appropriate, offering to refer the **customer**, with the **customer's** agreement, to a **support agency** from which the **customer** could seek assistance with arranging payment of the debt.

43 Steps following reconnection

Following the **reconnection** of a **post-pay customer** who is **electrically disconnected** for non-payment of **invoices**, the **retailer** must undertake the steps in clause 23 with appropriate modifications.

Disconnecting prepay customers

44 Restrictions on disconnecting a prepay customer's premises

A **retailer** must ensure a **prepay customer** is not **electrically disconnected** for running out of credit, unless:

- (a) the **electrical disconnection** occurs at a time:
 - (i) that does not endanger the wellbeing of the **customer** or any **residential consumer** at the premises (which may require **electrical disconnection** to occur at times other than just before nightfall or during a severe weather event); and
 - (ii) at which it would be reasonably easy for the **customer** to seek rapid **reconnection** (which may require **electrical disconnection** to occur at times other than after midday on the day before a non-**business day**, on a non-

business day, at night, during a severe weather event or during a civil emergency);

- (b) the **prepay** service can safely **electrically disconnect** and **reconnect** the premises;
- (c) the expiry of the pre-paid credit relates to the supply of **electricity** (and does not relate to other matters such as telephone or broadband); and
- (d) either of the following apply:
 - (i) the **customer** has not disputed the charges through the **retailer's** internal dispute resolution process or the dispute resolution scheme identified under clause 3 of Schedule 4 of the **Act**; or
 - (ii) if the **customer** has disputed the charges, the **customer** has not paid all other charges and parts of any charges relating to **electricity** supply that are not disputed, the **retailer** having credited, with the **customer's** agreement, any part-payment to the **electricity** supply portion of the **invoice** to the non-disputed charges first.

Reconnecting prepay customers

45 Reconnecting a prepay customer's premises

- (1) A **retailer** must ensure that **reconnection** of a **prepay customer** occurs as soon as reasonably practicable after the **customer** has completed their purchase transaction for new credit.
- (2) Subclause (1) requires that **reconnection** take place within 30 minutes of the **customer** completing their purchase transaction for new credit, unless:
 - (a) remote **reconnection** fails due to connectivity issues which would require sending a technician to the premises; or
 - (b) the **meter** owner has system issues; or
 - (c) the **retailer** is waiting on confirmation from the **customer** that the premises can be safely **reconnected**.

Part 8

Obligations in relation to medically dependent consumers

46 Purpose of this Part and knowledge of medically dependent consumers residing at customers' premises

- (1) This Part of the **Consumer Care Obligations** requires **retailers** and **distributors** to take specific actions in relation to **customers** and any other **residential consumers** permanently or temporarily residing at a **customer's** premises who are, or may be, **medically dependent consumers**, for the purpose of ensuring that:
 - (a) any **customer** premises at which **medically dependent consumers** reside are not **electrically disconnected** by their **retailer**; and

- (b) **medically dependent consumers** receive appropriate care and consideration in relation to planned and unplanned outages.
- (2) For the purpose of these **Consumer Care Obligations**, a **retailer** is deemed to know that a **medically dependent consumer** may be permanently or temporarily residing at a **customer's** premises if:
 - (a) the **retailer** has recorded that the **customer**, or any other **residential consumer** who permanently or temporarily resides at the premises, has medically dependent consumer status under clause 49 of these **Consumer Care Obligations**;
 - (b) the **retailer** has received an application (in any form) from the **customer** or any other **residential consumer** who permanently or temporarily resides at the premises for **medically dependent consumer** status, and the **retailer** has not yet decided the application; or
 - (c) the **retailer** becomes aware of information that a reasonable **retailer** would consider indicates that a **medically dependent consumer** may be residing at those premises.

Information about medically dependent consumers

47 Retailers to request and record information about medically dependent consumers

- (1) A **retailer** must request information which the **retailer** reasonably requires to identify whether a **customer** or any other **residential consumer** who permanently or temporarily resides at the **customer's** premises may be a **medically dependent consumer** when:
 - (a) first signing up a **customer**;
 - (b) contacting a **customer** under clause 16; and
 - (c) communicating with a **customer** who may be experiencing payment difficulties under clause 23.
- (2) A **retailer** may request information under subclause (1) at any other time the **retailer** reasonably considers it appropriate.
- (3) If a **retailer** knows that a **customer** or any other **residential consumer** who permanently or temporarily resides at the **customer's** premises may be a **medically dependent consumer**, the **retailer** must request the following information:
 - (a) the name of that **customer** or **residential consumer**; and
 - (b) for **residential consumers**, their communication information as listed under clause 13.
- (4) Whenever a **retailer** receives the information under this clause, the **retailer** must:
 - (a) record such information as is necessary for the **retailer** to perform its obligations under this Part; and
 - (b) only use the information to inform the **retailer's** performance of its obligations under this Part.

Recording and verifying medically dependent consumer status

48 Retailer must request application for medically dependent consumer status

- (1) A **retailer** must, as soon as practicable after it becomes aware of information that a reasonable **retailer** would consider indicates that a **customer** or **residential consumer** who permanently or temporarily resides at a **customer's** premises may be a **medically dependent consumer**, use best endeavours to request that they make an application (in any form) for **medically dependent consumer** status with the **retailer**.
- (2) The **retailer** must advise the **customer** or **residential consumer** under subclause (1) that if the **retailer** does not receive an application (in any form) within a period specified by the **retailer**, which must be at least 21 **business days**, the **retailer** may decide to no longer regard that **customer** or **residential consumer** as someone who may be a **medically dependent consumer**.
- (3) Subclause (2) does not apply if the **retailer** records the **customer** or **residential consumer** as a **medically dependent consumer** under clause 49.

Clause 48(2): amended, on 1 September 2026, by clause 29 of the Electricity Industry Participation Code (Code Review Programme) Amendment 2026.

49 Recording medically dependent consumer status

- (1) Subject to subclause (2), a **retailer** may, at its discretion, record that a **customer**, or **residential consumer** who permanently or temporarily resides at a **customer's** premises, has **medically dependent consumer** status, having regard to the information gathered by the **retailer** in accordance with these **Consumer Care Obligations** or otherwise provided by a **customer**, **residential consumer**, or any third party.
- (2) A **retailer** must record that a **customer**, or **residential consumer** who permanently or temporarily resides at a **customer's** premises, has **medically dependent consumer** status if the **retailer** receives a valid **confirmation of status form** or **reconfirmation form** in relation to that person.

50 Retailer's obligations after receiving application for medically dependent consumer status

- (1) Upon receipt of an application (in any form) for **medically dependent consumer** status in relation to a **customer** or **residential consumer** residing at a **customer's** premises, the **retailer**:
 - (a) must record that the application has been received;

 - (i) record and hold relevant information relating to the application for the purposes described in clauses 46(1)(a) and (b); and
 - (ii) share where necessary information with the relevant **distributor**, **metering equipment provider** and **trader** recorded in the **registry** as being responsible for a relevant **ICP** (unless the **retailer** is itself the relevant **trader**);
 - (c) may, if appropriate to do so, take reasonable steps to confirm that the applicant is permanently or temporarily resident at the premises;
 - (d) may ask the applicant for a **confirmation of status form** if one has not been provided with the application, provided that, if the **retailer** requests a **confirmation of status form**, it must provide the applicant with the **confirmation of status form** prescribed by the **Authority** and advise the applicant that it may decline the application if the applicant fails to provide a valid form; and
 - (e) may, where applicable and if appropriate to do so, take reasonable steps to confirm the validity of the **confirmation of status form**.
- (2) If a **retailer** receives an application for **medically dependent consumer** status but the application does not relate to a **customer's** premises, the **retailer** must, as soon as reasonably practicable:
 - (a) use reasonable endeavours to determine who the current **retailer** is for the premises;
 - (b) inform the applicant, or the **health practitioner** who completed the **confirmation of status form** (if a form has been received by the **retailer**), that:
 - (i) the **retailer** is not responsible for the supply of **electricity** to the premises;

- (ii) if the **retailer** has determined who the responsible **retailer** is under paragraph (a), that **retailer's** name and contact details; and
- (c) encourage the applicant to contact the responsible **retailer** as soon as practicable.

51 **Retailer's obligations to share information about medically dependent consumers**

- (1) If a **retailer** receives an application under clause 50, or otherwise decides to record a **customer** or **residential consumer** as a **medically dependent consumer**, the **retailer** must:
 - (a) if the **retailer** is the **trader** recorded in the **registry** as being responsible for the relevant **ICP**, advise the relevant **distributor**, using the relevant **EIEP** published by the **Authority** under clause 52, of:
 - (i) as applicable, the application, at the time the **retailer** receives the application;
 - (ii) the **retailer's** decision regarding whether to record the applicant as a **medically dependent consumer**, as soon as practicable once the **retailer** has made that decision; and
 - (iii) any subsequent change in **medically dependent consumer** status; and
 - (b) if the **retailer** is not the **trader** recorded in the **registry** as being responsible for the relevant **ICP**, advise that **trader**, using the relevant **EIEP** published by the **Authority** under clause 52, of the matters in subparagraph (a)(i) to (iii).
- (2) If a **trader** receives advice under subclause (1)(b), the **trader** must record that information and advise the relevant **distributor** as soon as practicable, using the relevant **EIEP** published by the **Authority** under clause 52, of the matters in subclause (1)(a)(i) to (iii).
- (3) If a **trader** authorises a **metering equipment provider** to undertake any work at a **customer's** premises, it must notify the **metering equipment provider** if the **trader** knows a **medically dependent consumer** may reside at the premises.
- (4) A **retailer** must, if it has not already done so, comply with subclause (1) (with all necessary modifications) in respect of any **medically dependent consumers** as recorded by that **retailer** at the time this clause comes into effect.

52 **Authority to publish procedures for sharing information about medically dependent consumers**

- (1) The **Authority** must prescribe and **publish** 1 or more **EIEPs** with which a **retailer** must comply when providing information to a **distributor** under clause 51(1)(a) or a **trader** under clause 51(1)(b).
- (2) Before the **Authority** prescribes an **EIEP** under subclause (1), or amends an **EIEP** that it has prescribed under subclause (1), it must consult with the participants that the **Authority** considers are likely to be affected by the **EIEP**.
- (3) The **Authority** need not comply with subclause (2) if it proposes to amend an **EIEP** prescribed under subclause (1) if the **Authority** is satisfied that—
 - (a) the nature of the amendment is technical and non-controversial; or

- (b) there has been adequate prior consultation so that the **Authority** has considered all relevant views.

53 **Retailer's obligations in respect of confirmation of status forms**

- (1) Where the **retailer** has received a **confirmation of status form**, the **retailer** must record the following information in respect of that **confirmation of status form** and any subsequent **reconfirmation form** received:
 - (a) when the form was received;
 - (b) the name of the **health practitioner** who completed the form;
 - (c) the date on which the form was completed by the **health practitioner**; and
 - (d) the time period to which the **health practitioner's** confirmation given in the form applies, if any period is specified.
- (2) If a **retailer** does not receive a valid **confirmation of status form** after a period of at least 21 **business days** after making a request under clause 50(1)(d), and is considering declining the application under subclause (4), the **retailer** must advise the applicant that:
 - (a) the applicant must provide a valid **confirmation of status form** as soon as practicable;
 - (b) if the **retailer** does not receive a **confirmation of status form** within a period specified by the **retailer**, which must be least 10 **business days**, the **retailer** may decide to decline the application; and
 - (c) the applicant should, as soon as practicable, contact the **retailer** if they are unable to provide a **confirmation of status form** within the period specified in paragraph (b).
- (3) A **retailer** may request the **confirmation of status form** directly from the **health practitioner** who completed the form, if authorised to do so by the applicant.
- (4) If a **retailer** has advised the applicant of the information specified in subclause (2), and has still not received a valid **confirmation of status form** within the period specified in subclause (2)(b), the **retailer** may, after considering any information provided under subclause (2)(c), decline the application to record the applicant has **medically dependent consumer** status.

54 **Further obligations before declining an application**

- (1) Before declining an application for **medically dependent consumer** status, other than on grounds that the applicant does not permanently or temporarily reside at a **customer's** premises, a **retailer** must request from the applicant a **confirmation of status form** under clause 50(1)(d).
- (2) Before declining an application for **medically dependent consumer** status on grounds that the **confirmation of status form** is not valid, the **retailer** must take reasonable steps to confirm the validity of the form under clause 50(1)(e).

55 **No response to questions**

If a **retailer** receives an application for **medically dependent consumer** status but the applicant does not respond to any questions from the **retailer** communicated to the applicant using the applicant's communication information recorded under clause 13 or

47, and does not otherwise communicate with the **retailer** within a period of at least 21 **business days**, the **retailer** may decline the application to record the applicant has **medically dependent consumer** status.

56 Obligations if retailer declines application for medically dependent consumer status

If a **retailer** declines an application for **medically dependent consumer** status, the **retailer** must:

- (a) notify the applicant as soon as practicable of the **retailer's** decision;
- (b) inform the applicant of how to reapply to be recorded as a **medically dependent consumer**;
- (c) inform the applicant of the dispute resolution process they may follow, including:
 - (i) making a complaint to the **retailer** through the **retailer's** internal dispute resolution process; or
 - (ii) making a complaint to the dispute resolution scheme identified under clause 3 of Schedule 4 of the **Act**; and
- (d) if a complaint is made under paragraph (c), and the **customer** or **residential consumer** is engaging with the **retailer's** internal dispute resolution process and/or the dispute resolution scheme identified under clause 3 of Schedule 4 of the **Act** in good faith, treat the **customer** or **residential consumer** as if they are a **medically dependent consumer** while the dispute is unresolved.

Reviewing medically dependent consumer status

57 Review of medically dependent consumer status

- (1) A **retailer** may review whether a **customer** or **residential consumer** should continue to be recorded as having **medically dependent consumer** status no more than once in any 12-month period.
- (2) If a **retailer** decides to undertake a review under subclause (1), the **retailer** must contact the **customer** or **residential consumer** to:
 - (a) ask them to advise the **retailer** if:
 - (i) they continue to reside at the premises; and
 - (ii) they still consider themselves a **medically dependent consumer**; and
 - (b) give them an opportunity to provide any further information that they wish to provide regarding whether or not they should continue to be recorded as having **medically dependent consumer** status.
- (3) A **retailer** is not required to comply with subclause (2)(a)(ii) if the **retailer** is satisfied that the **customer** or **residential consumer's** medical dependency on mains **electricity** is permanent.
- (4) If having made contact under subclause (2), the **retailer** is informed that the **customer** or **residential consumer** continues to reside at the premises and, if applicable, still considers themselves a **medically dependent consumer**, clauses 50 to 55 apply with all necessary modifications.

-
- (5) If a **retailer** has previously been provided with a **confirmation of status form** or **reconfirmation form** for that **medically dependent consumer**, the **retailer** may, as part of a review under subclause (1) and if it reasonably considers it appropriate in the circumstances, request that a **medically dependent consumer** provide the **retailer** with a **reconfirmation form** and provide the applicant with the **reconfirmation form** prescribed by the **Authority**.
- (6) If a **retailer** requests a **reconfirmation form** under subclause (5), and a valid **reconfirmation form** is provided, the **retailer** must meet the **customer's** or **residential consumer's** reasonable costs of obtaining that **reconfirmation form**, unless the earlier **confirmation of status form** or **reconfirmation form** had specified a time period to which the **health practitioner's** confirmation given in the form applied, and that period has ended.
- (7) Upon completion of any review under subclause (1), the **retailer** must:
- (a) notify the **customer** or **residential consumer** of the outcome of that review; and
 - (b) if the **retailer** decides that the **customer** or **residential consumer** should no longer be recorded as having **medically dependent consumer** status:
 - (i) inform them of the matters in clauses 56(b) and (c);
 - (ii) provide them with 2 weeks' notice before removing their **medically dependent consumer** status; and
 - (iii) if a complaint is made through the **retailer's** internal dispute resolution process or to the dispute resolution scheme identified under clause 3 of Schedule 4 of the **Act** and the **customer** or **residential consumer** is engaging with that process in good faith, treat them as if they are a **medically dependent consumer** while the dispute is unresolved.

Providing advice in relation to medically dependent consumers

58 Advice regarding individual emergency response plans

As soon as a **retailer** knows that a **customer**, **residential consumer** considering entering into a contract with the **retailer**, or any other **residential consumer** who permanently or temporarily resides at the premises of such persons may be a **medically dependent consumer**, the **retailer** must:

- (a) advise the **customer** or **residential consumer**:
 - (i) that the supply of **electricity** cannot be guaranteed; and
 - (ii) of the importance of the **customer** or **residential consumer** arranging for the development of an individual emergency response plan; and
- (b) direct the **customer** or **residential consumer** to the **Authority's** website for resources to support the development of an individual emergency response plan.

Medically dependent consumers and prepayment services

59 Prepay product offerings for medically dependent consumer

- (1) A **retailer** must not recommend a **prepay product offering** in relation to any **residential premises** if the **retailer** knows that a **medically dependent consumer** may permanently or temporarily reside at the premises.
- (2) If a **customer**, or a **residential consumer** considering becoming a **customer**, requests a **prepay product offering** for premises at which the **retailer** knows that a **medically dependent consumer** may permanently or temporarily reside, the **retailer** must, before agreeing to provide that service:
 - (a) use its best endeavours to encourage the **customer** or **residential consumer** to choose a **post-pay product offering**, including encouraging them to engage with 1 or more **support agencies** who may assist them in meeting any requirements of a **post-pay** contract;
 - (b) advise the **customer** or **residential consumer** that any **medically dependent consumers** residing at the premises should first discuss the **prepay product offering** with a **health practitioner** with an appropriate scope of practice; and
 - (c) inform the **customer** or **residential consumer** and, if the **retailer** has contact details for any **medically dependent consumers** residing at that premises, those **medically dependent consumers**, of the risk of there being no **electricity** supply if the **prepay** service runs out of credit.

Retailers' arrangements with distributors and metering equipment providers

60 Coordinating planned service interruption or electrical disconnection

- (1) Where a **retailer** has advised a **distributor** of an application or a decision to record a person as a **medically dependent consumer** under clause 51, the **retailer** and the **distributor** must use reasonable endeavours to agree processes to coordinate with each other on planned service interruptions and **electrical disconnections** that will affect those **medically dependent consumers**.
- (2) Each **retailer** that has an arrangement with a **metering equipment provider** under Part 10 of this Code must use reasonable endeavours to ensure their service level agreements with **metering equipment providers** prevent the **metering equipment provider**, having regard to any applicable health and safety requirements, from:
 - (a) **electrically disconnecting** the **retailer's customer** without explicit instruction or agreement from the **retailer**; or
 - (b) as far as reasonably practicable, varying the date or materially varying the time of an agreed **electrical disconnection** or **reconnection**.

61 Coordinating planned service interruption or electrical disconnection with other retailers

Where a **retailer** has **customers** at an **ICP** for which it is not the responsible **trader** as recorded in the **registry**, the **retailer** and the **trader** for that **ICP** must use reasonable endeavours to agree processes to coordinate with each other on planned service interruptions and **electrical disconnections** that will affect any person who is the subject of a notification under clause 51.

When a residential consumer nominates an alternate contact person

62 Retailers to contact alternate contact person

If a **residential consumer** nominates an **alternate contact person** under clause 47(3)(b), the **retailer** may contact that **alternate contact person** if the **retailer** is unable to contact the **residential consumer**.

When a person may no longer be considered a medically dependent consumer

63 Circumstances where customer or residential consumer may no longer be considered a medically dependent consumer

- (1) A **retailer** may no longer regard a **customer** or **residential consumer** as someone who may be a **medically dependent consumer** in any of the following circumstances:
 - (a) where the **customer** or **residential consumer** requests that they no longer be regarded as a **medically dependent consumer**;
 - (b) where the **customer** or **residential consumer** no longer receives **electricity** from the **retailer**;
 - (c) where a **retailer** has complied with clause 48, and has not received an application (in any form) for **medically dependent consumer** status within at least 21 **business days** of attempts to contact that **customer** or **residential consumer**; and
 - (d) where the **retailer** has validly declined an application for **medically dependent consumer** status under this Part of the **Consumer Care Obligations**.
- (2) If a **retailer** no longer regards a **customer** or **residential consumer** as someone who may be **medically dependent consumer** in the circumstances listed in subclause (1)(a), (b) or (c), the **retailer** must:
 - (a) notify the **customer** and/or **residential consumer** as soon as practicable of the **retailer's** decision; and
 - (b) inform them of the matters in clauses 56(b) and (c).

Part 9

Fees and bonds

64 Purpose of this Part

This Part of the **Consumer Care Obligations** imposes obligations on **retailers** concerning **fees**, **bonds** and **conditional discounts** to ensure they are reasonable.

65 Requirement to disclose information on fees, conditional discounts and bonds

Each **retailer** must clearly disclose:

- (a) information on all **fees**, **conditional discounts** and **bonds** that may be available to or payable by **customers**; and

- (b) if applicable, the method or calculation and the maximum limit of that **fee** under clause 67.

Fees

66 Retailers to make customers aware of fee amounts

A **retailer** must only charge a **customer** a **fee** where the **retailer** is reasonably satisfied, before charging that **fee**, that the **customer** is aware of the amount of the **fee**.

67 Fees to have maximum limit

Any **fee** which a **retailer** determines via a method or calculation must where practicable include a stated maximum limit.

68 Fees must be reasonable

- (1) Any **fee** charged by a **retailer** to a **customer** must:
 - (a) not exceed reasonable estimates of the costs the **fee** is identified as contributing to; and
 - (b) otherwise be reasonable, taking into account the need to strike an appropriate balance between precision, and administrative and practical efficiency.
- (2) A **fee** must not:
 - (a) be used to offset future costs; or
 - (b) attempt to recover any deficit that may have arisen because of previous under recovery.

Conditional Discounts

69 Retailers to make customers aware of conditional discounts

A **retailer** must use reasonable endeavours to ensure that **customers** are aware of the amount of any **conditional discount** available and how a **customer** can receive that **conditional discount**.

70 Conditional discounts must be reasonable

Any **conditional discount** offered by a **retailer** to a **customer** must reflect a reasonable estimate of the costs incurred, or likely to be incurred, by the **retailer** as a result of a **customer** not meeting the **payment conditions**.

Bonds

71 Retailer's obligations regarding bonds

- (1) Any **bond** required by a **retailer** must be reasonable, taking into account a reasonable estimate of the **customer's** expected invoice amount for a billing cycle.

- (2) A **retailer** must refund any **bond** no later than after the expiry of a 12-month period of the **customer** paying all **invoices** on time.
