Dear Shane

Amendment to Wholesale Information and Trading System Service Provider Agreement

I refer to the Wholesale Information and Trading System (WITS) Service Provider Agreement (MOSPA) between the Electricity Authority (Authority) and NZX Limited, dated 1 May 2016, relating to services provided by NZX Limited as the WITS manager.

The Authority would like to amend the functional specification in Schedule 3 of the MOSPA to reflect the following amendment:

- New WITS Data hub (EA-011) running concurrently with Free to Air
- Changes for WITS-CR54 concerning additional validations to nominated dispatch bids

The Authority would like to amend the MOSPA by replacing the functional specification in Schedule 3 of the MOSPA with the new functional specification, version 4.9, attached to this letter.

It is proposed that this amendment to the MOSPA will take effect on the date you sign this letter.

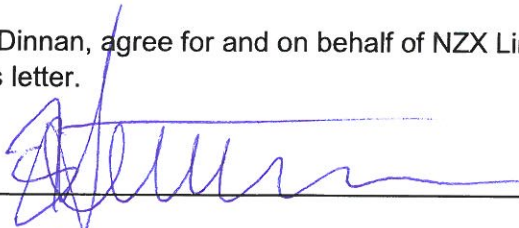

Please confirm your acceptance of the amendment set out in this letter by signing and returning a copy of this letter to me.

Yours sincerely

Rory Blundell
General Manager Market Performance

I, Shane Dinnan, agree for and on behalf of NZX Limited to the amendment to the MOSPA set out in this letter.
