Submission on Proposed Transmission Pricing Methodology Consultation paper

Thank you for the opportunity to submit on the Proposed Transmission Pricing Methodology consultation paper.

Waitaki Power Trust submits in support of the ETNZ (Energy Trust of NZ) submission to the consultation paper and urges the Electricity Authority to work towards an outcome that does not put more costs onto the household electricity consumer, network connected businesses and community organisations.

As a 100% consumer owned trust, Waitaki Power Trust will continue to take an interest in issues that affect our consumers and engage with the EA on matters affecting them.
