2. Compliance

2.1 Compliance with Regulations and Code

For this month, to the best of our knowledge, the clearing manager, reconciliation manager, pricing manager and WITS service providers fully complied with the Code and regulations.

2.2 Operation of the Regulations and Code

For this month, the NZX service providers have not identified any areas of the Code that require addressing.

2.3 Compliance with MOSP Agreements

All provisions of the reconciliation manager and pricing manager MOSP agreements have been adhered to during the reporting month. The clearing manager published hedge settlement amounts on business day 6 due to adjustments that were necessary for daylight savings. This breached the service provider agreement to publish hedge settlement amounts by business day 5.
