Hi Brent and James,

Electric Kiwi welcomes the EA's consultation on winbacks. We consider that our letter of 10 October on winbacks and the EA's response should be posted on the winback consultation webpage.

Electric Kiwi considers it a matter of good regulatory practice to be transparent.

Our letter is highly relevant to stakeholders submitting on the EA's winback ban proposal consultation, as it provides support for the EA's rejection of MDAG's advise and also offers an alternative, superior, Code change to implement a ban on winbacks.

Kind Regards,

Luke
