

## 27 November 2023

Tēnā koe s9(2)(a

Thank you for your request, received on 7 November 2023, and clarified on 13 November 2023 for the following information under the Official Information Act 1982 (the Act):

- 1. "A copy of the 2022/23 market perception survey results (a referred to in the latest EA annual report) broken down into:
  - a. All respondents
  - b. All respondents excluding gentailers
  - c. Gentailers
  - d. Primarily an electricity retailer (excluding gentailers)
  - e. EDB/Transpower (additional from previous requests including the results from the first two surveys).
- 2. With the results for each including strongly agree, agree, N/A, neither agree or disagree, disagree and strongly disagree.
- 3. Could you also please provide a breakdown of the number of survey respondents in each category.
- 4. It would be appreciated if the response could include an update of the survey excel spreadsheet that was provided in response to my last request."

The information you requested is presented in the attached excel spreadsheet which is a breakdown of Appendix B: Survey-based Impact Measures in the Annual Report 2022/23.

Please note, survey invitations were sent to a random sample of 431 individuals employed within the industry. The Authority received responses from 118 individuals. When interpreting the information, please consider that, of the 118 respondents, there may be more than one respondent from an individual industry participant.
