

Dear Electricity Authority,

We use electricity too - Please look after us by making all the Consumer Care Guidelines mandatory!

MY FAVOURITE THING THAT USES ELECTRICITY...

IF I HAD NO POWER AT HOME, I WOULD FEEL...

Most of The Things I like do not need electricity but I do like baking and video games.

Sad and I need power to cook food and use ~~things~~.

I WANT MY FRIENDS TO HAVE ELECTRICITY SO THEY CAN...

I WANT MY POWER COMPANY TO SHOW THEY CARE FOR ME BY...

Do whatever They want to do That ~~uses~~ ^{needs} Electricity.

Having fare prices for the electricity, and not using all the power.

Video Games or Heaters or The Oven or TV

Frustrated and Sad

I WANT MY FRIENDS TO HAVE ELECTRICITY SO THEY CAN...

I WANT MY POWER COMPANY TO SHOW THEY CARE FOR ME BY...

Do what they want to do that uses electricity.

Not charging ridiculous Connection and Disconnection Fees to target and exploit the poorer part of our community.
