Attention:

Dear Richard

Notice under clause 4.2 of the FTR manager service provider agreement

The Authority wishes to exercise its right under clause 4.2 of the FTR manager service provider agreement (agreement) dated 2 April 2012.

The Authority wishes to renew the agreement for a term of three years (the “second term”). The agreement will now expire 1 May 2021. All other provisions of the agreement remain unchanged.

Thank you for the work you and your team have done in establishing and operating the FTR manager service. I look forward to this relationship continuing for another three years.

Regards
