Thank you for your request, received on 26 April 2024, under the Official Information Act 1982 (Act) for the following information:

- *“Your organisation’s total spend on contractors and consultants from 1 January 2018 – present, broken down by quarter (including Q1 2024). I hope this information will already be compiled due to the Public Service Commission’s regular reporting of these figures since 2018, as mentioned [here](#). Please further break down that spend by business group (or equivalent organisational unit), with all figures provided in a spreadsheet ...”*

The information you have requested is attached to this letter.

We have defined contractors as an individual who is hired via a third party to provide temporary specialist skills or perform duties that would normally be provided by an existing staff member, either in their normal day-to-day duties, or on a project.

We have defined consultant as a company or an individual where service provision is linked to a defined outcome, typically with remuneration linked to agreed milestones, or deliverables. The Authority’s functions require a material use of consultants to provide specialist skills and technical knowledge that it is not economic to employ on a full-time basis.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact us by emailing [oiia@ea.govt.nz](mailto:oiia@ea.govt.nz).
