**Lifting of direction to hold prices interim for trading periods 37 – 42 on 9 August 2021**

This letter provides notice of the Authority's decision to revoke the direction previously given, under clause 13.184 of the Code, to hold prices interim for trading periods 37 – 42 on 9 August 2021.

As the direction to hold prices interim is no longer in force, we request that you arrange for prices to be finalised for trading periods 37 – 42.

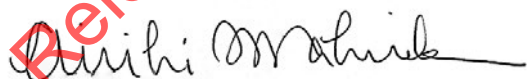

We remind you of our previous notification that pricing error claim PEC075 was upheld in respect of trading periods 39 – 42 on 9 August 2021.

As the Code has been amended since 9 August 2021, prices must be finalised without scarcity pricing, using the Code process that was in force as at 9 August 2021.

Please advise the date and time you expect to publish final prices.

We are happy to discuss any matter raised in this letter further if it would be of assistance.

Nāku noa, nā
