Tēnā koe John

Happy new year. It seems like a long time since we were discussing the phase out of the LFC regulations!

I talked briefly to Tamara last week, and she told me that you are leading MBIE's thinking on these electricity price risk management issues. I'm managing this work at the Authority. It would good to have an initial conversation with you next week, with a view to then talking to a wider group at MBIE about how we are structuring this work, ie, the questions we are seeking to answer (Tamara's idea). How are you placed to meet (online) on Wednesday (31/1) after 1pm? If that doesn't suit, please let me know when you are available next week. I'd prefer afternoons (NZ time) if possible as I'm based in Kuala Lumpur [Section 9(2)(a) Privacy] which is 5 hours behind New Zealand.

I look forward to talking to you soon.

Ngā mihi
