Am keen to talk to you about 4 things ;

- the EA's work assessing OTCs (ref independent retailer complaint) - check in re intended scope, and quick chat about team-to-team engagement to date

- to relay a conversation between John Small, others At Comcom, Justine Garth and I (I expect Justine will have shared re this with Sarah G yesterday) re the independent retailer complaints and roles across agencies
- how MBIE can best support/liaise with the EA about this OTC work and ongoing wholesale –
