Tēnā koe John

I'm following up on our email exchange below. I suggest that we structure the meeting tomorrow around the following topics:

- Authority risk management review – approach
- MBIE response – questions, areas of particular interest
- Recent engagement with the non-integrated retailers
- Authority input [Section 9(2)(f)(iv)] – what would be most useful?

Please let me know if there's anything you want to add, or focus on. Given it's a relatively short meeting, I'm expecting that we'll all attend by teams.

Ngā mihi

Rob

Kia ora John

No problem at all – thanks for moving the meetings, and providing that document (predictably one of the Authority team had also since sent it to me!).

I'll give a bit of thought to the agenda, with a view to us settling it with you early next week?

Hi Rob,

Sorry for the delay in responding. I was able to make those changes.

I haven't been able to dedicate much time to thinking about an agenda. However, I did find the questions and responses that were shared between MBIE and Authority, which I said I would share with you.

Tēnā koe John

I'm trying to play a little diary tetris at this end re the two meetings you've scheduled, without complete success.

For the February 14<sup>th</sup> meeting, is it possible to have it earlier in the day (any time between 12 and 2), or the previous afternoon (13<sup>th</sup>)? [Having one of the Monitoring team there would help a lot, hence the request.]

For the March 6<sup>th</sup> meeting, can we push it out a day to March 7<sup>th</sup>? Times that day that would suit our team are midday; 130-3pm; after 330pm.

Please let me know what's possible (and sorry for not coming back to you during the week).

Ngā mihi

Rob
