Redacted		
Review of risk management in retail electricity	<p>The Authority has started a project to understand the market for risk management products with a focus on the ASX and OTC contract markets.</p> <p>The project consists of two streams: evidence gathering and policy development. External communication for the project is being reconsidered after the November 2023 Board meeting.</p> <p>Staff have discussed this work at a high-level with the Commerce Commission and MBIE, who are supportive and keen to be involved.</p>	<p>Discussed with the Board on 21 Nov 2023.</p> <p>Next expected engagement with the Board is April 2024.</p>
