Review of risk management in retail electricity	<p>The Authority has started a project to understand the market for risk management products with a focus on the ASX and OTC contract markets.</p> <p>The project consists of two streams: evidence gathering and policy development. External communication is expected on 14 December: a news item announcing the review packaged under MDAG recs.</p> <p>Staff have discussed this work at a high-level with the Commerce Commission and MBIE, who are supportive and keen to be involved.</p> <p>We intend to issue section 46 information requests for both independent retailers and gentailers in the next few months.</p>	Next expected engagement with the Board is April 2024.
