Hi Andy and Sarah

As Meridian's Chief Executive mentioned at the meeting between Boards and Chief Executives last week, we would like to request an extension to the due date for submissions on the two papers:

- *Monitoring Review of structure, conduct and performance in the wholesale electricity market*
- *Inefficient price discrimination in the wholesale electricity market – Issues and options*

There is a lot of detailed analysis in these papers. A two week extension, to 22 December 2021, would enable Meridian to properly engage with the analysis and would allow time for us to prepare meaningful submissions in response.

We look forward to hearing from you.

Ngā mihi
