Hi S9(2)(a)

Please accept my apologies for the delay getting back to you. S9(2)(a) and I would be interested in meeting with you at some point before Christmas to understand the implications of the review from an infrastructure perspective.

Please let me know if there any good days/times to meet after 13 December.

Best regards

Jon

Subject: Opportunity to meet with the Authority in regards to the release of the review into competition in the wholesale market

Kia ora,

The Authority is committed to engaging with our stakeholders in an open and collaborative way and welcomes the opportunity to meet with your organisation after the release of the review into competition in the wholesale market.

The review's observations, and a preliminary issues paper - which explores possible policy options - were both released this morning. The review has looked at elevated prices in the wholesale market from January 2019 to June 2021 and whether these prices were determined in

a competitive environment. The papers are now available for feedback from interested parties from today until 8 December 2021, with all the information available on the Authority's website. The consultation process provides a structured approach to most effectively capture all feedback.

The immediate priority during the week of the release will be ensuring all parties have access to the review and issues papers. Once stakeholders have had enough time to review the documents, we would welcome an opportunity to meet with stakeholders.

Please let me know if you would like to meet and I can find a mutually beneficial time for this meeting to take place.

Regards
