Thanks Andrew.

Good to speak this afternoon. I will ensure this gets passed to John in advance of his meeting with Anna tomorrow. We will also keep the document to hand, although we won't circulate outside of the relevant project team and relevant managers.

Ngā mihi nui

Luke

Kia ora Luke,

Thank you for the conversation just now.

As discussed here are the key messages that we are using for the risk management review. There are useful for you to have in case you are approached about the review

As John and Anna are meeting tomorrow, thank you also from passing these on to John ahead of that meeting.

Ngā mihi

Andrew
