Hi all,

Attached are the updated slides I'm presenting to MBIE today – I've put more evidence in from the RFP data, and some stuff from looking at the gentailers credit policies.

Hi Rob

Thanks – speak to you tomorrow.

Out of scope

On the Octopus letter, I followed up with John's EA and it's on his list for this week – I will follow up again if I haven't heard back by the time we speak tomorrow.

Cheers

Luke

* Do you have a sense of the ETA for John reviewing the letter responding to Octopus (emailed on Tuesday)? I appreciate that much of the delay on this is ours, but getting the letter out this week if possible would be really good.

Ngā mihi

Rob

Hi Rob and Julia

We caught up with our Chair John Small yesterday afternoon, who (amongst other electricity sector issues) asked us how the risk management review is progressing. He had a few further thoughts after re-reviewing the slide deck your team presented to him a few weeks ago, and a few questions about what comes next.

We know we have our regular catch up next Wednesday, but any chance you would be free for a very brief chat about this on Friday? We could do any time before 10:30am, 11:30am-12pm or after 3pm.

Thanks

Luke and team
