Dear Shane

Amendment to Reconciliation Manager Market Operator Service Provider Agreement

I refer to the Reconciliation Manager Market Operator Service Provider Agreement (MOSPA) between the Electricity Authority (Authority) and NZX Limited, dated 30 October 2015, relating to services provided by NZX Limited as the reconciliation manager.

The Authority would like to vary the functional specification in Schedule 3 of the MOSPA to reflect the following amendment

- **RM-CR90** – GR-350 report added (Embedded Generation Report for Grid Owner)

If you agree to it, Schedule 3 of the MOSPA (functional specifications) will become version 12.0.

Please confirm your acceptance of the amendments proposed in this letter by signing and returning a copy of this letter to me. These proposed amendments to the MOSPA will take effect on the date you sign this letter.

Yours sincerely

Richard Eglinton
Chief Operating Officer

I, Shane Dinnan, agree for and on behalf of NZX Limited to the amendment to the MOSPA set out in this letter dated

Date: 22/06/2021
