Your request

Thank you for your email request, received on 19 September 2025, under the Official Information Act 1982 (the Act) for the following information:

“...Would we be able to see either the RFP or service contract signed with AE (with confidential redacted) please?”

Our response

The Electricity Authority Te Mana Hiko (Authority) has identified one document within scope of your request, titled “Standardised flexibility products co-design group request for information on brokered services,” which is a copy of the request for information (RFI). However, this part of your request is being refused under section 18(d) of the Act, as the information requested is publicly available. You can find the RFI here: [Request for information on brokered services.pdf](#). The Authority sent out the RFI on behalf of the Standardised Product Co-design Group. We understand that Authority staff sent you this link on 24 September 2025.

The Authority does not hold any information on the “service contract” you have asked for in your request. This is because the Authority does not contract for services for the trading in standardised flexibility projects. Therefore, this part of your request is refused under section 18(g) of the Act, as the information is not held by us.
